	South Carolina.)	

This matter comes before the Public Service Commission of South Carolina ("Commission") on the request of 01 Communications of South Carolina, LLC ("01" or the "Company") to cancel the Company's Certificate of Public Convenience and Necessity to provide local exchange and interexchange telecommunications services in the State of South Carolina. A review of the docket file reveals that the Commission granted 01 authority to operate as a provider of telecommunications services in South Carolina by Order No. 2000-0129, dated February 4, 2000.

On August 1, 2005, the Company filed with the Commission a request for cancellation of the Company's Certificate of Public Convenience and Necessity. According to 01, the Company has ceased doing business in South Carolina and will soon be dissolved. 01 asserts that the Company does not have any physical assets in South Carolina nor does it have any debts or obligations. Additionally, according to 01, the Company has no customers, subscribers or relations with any other entity in South Carolina.

As 01 is no longer providing the services for which the Company's Certificate of Public Convenience and Necessity was granted, the Commission finds and concludes that 01's Certificate of Public Convenience and Necessity to provide local and interexchange telecommunications services within the State of South Carolina should be cancelled.

IT IS THEREFORE ORDERED THAT:

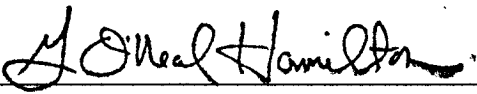

1. The Certificate of Public Convenience and Necessity to provide local exchange and interexchange telecommunications services in South Carolina authorized by Order No. 2000-129, dated February 4, 2000, issued in the instant docket to 01 Communications of South Carolina, LLC is hereby cancelled.

2. This Order shall remain in full force and effect until further Order of the Commission.
